## **CA AQUEOUS COATING CLEANER**

**RULE 1171 COMPLIANT AQUEOUS COATING CLEANER**

*Item Code S-1853*

In 2008, the South Coast Air Quality Management District lowered the allowed limits for all blanket and roller washes, plate cleaners and storage gums, as well as metering roller cleaners to the new standard of 100 grams per liter per Rule 1171. This product was formulated with both performance and environmental compliance in mind.

**Gans' CA Aqueous Coating Cleaner** was formulated to effectively clean and remove water based coatings while ensuring environmental compliance where products of 100 g/l or less are required. This product may be used to remove the most difficult of dried coating and printing inks from all parts of the printing press without encountering corrosion.

**Gans' CA Aqueous Coating Cleaner** has a mild solvent odor and is very user friendly. This product meets all South Coast Air Quality Management's Rule 1171 criteria as required in Southern California and most recently, isolated areas of Northern California .

### **KEY BENEFITS**

- **Complies with South Coast Air Quality Management District's Rule 1171.**
- **Excellent cutting power on all aqueous coatings.**
- **Low VOC; .40 lbs. / Gal. or 48.36 g/l**
- **Low odor as it does not contain ammonia.**
- **Compatible with all roller compounds.**
- **Non corrosive – Neutral pH of 7.0**

### **DIRECTIONS FOR USAGE**

**For Use On Blankets:** For light build up, apply to a sponge or shop rag and proceed to wipe in a side-to-side action. Repeat the process until desired results are achieved.

**For Cleaning Coating Systems:** Apply CA Aqueous Coating Cleaner diluted with a minimum of 25% water and allow to recirculate until results are achieved. Drain all coating components and flush with fresh water if required.

**General Press Cleaning:** Apply CA Aqueous Coating Cleaner to a sponge or shop rag and proceed to wipe over the desired area to clean. This product may be diluted with up to 50% water for product longevity.

**Packaging Size:** Quart, Gallon, 5 Gallon Pail
