

94908 Hi-Rub Plus Gloss Overprint Varnish

94908 Hi-Rub Plus Gloss Overprint Varnish has been specially formulated to provide abrasion protection for coated papers, cover stocks, and paper board stocks. 94908 is an excellent choice for products which must hold up to continual handling, such as wine labels, presentation folders, annual reports and brochures.

94908 provides the following outstanding features:

- ❖ Highest gloss available in a rub-resistant overprint varnish
- ❖ Excellent rub-resistance
- ❖ Superior stability on press
- ❖ Very fast/hard film conversion

NOTE: 94908 is not considered to be imprintable, nor is it finishing friendly.
