

# GANS INK & SUPPLY COMPANY, INC.

www.gansink.com

August 30, 2018

**Subject:** California Proposition 65, Safe Drinking Water and Toxic Enforcement Act of 1986 (Prop 65)

Some products sold by Gans Ink & Supply Company contain materials found on the California list of *Chemicals Known To The State To Cause Cancer Or Reproductive Toxicity* (Prop 65 List). Specific products can be identified by two methods:

1. Consult the product SDS: Every Gans Safety Data Sheet (SDS) includes a Prop 65 statement in Section 15. If Prop 65 ingredient are used, they will be listed here.
2. Consult the packing slip: Starting August 1, 2018 Gans packing slips include a warning for all products containing Prop 65 ingredients.

The majority of Gans products are *not* formulated with materials found on the Prop 65 List, and the following information will help you determine if you need to examine the product SDS.

- [Offset inks, oxidative chemistry](#): Not formulated with Prop 65 materials, except for Pantone Warm Red, and Pantone or custom-made colors containing Warm Red (Process colors and blacks do not contain Warm Red). Consult SDS, Section 15.
- [Offset, flexo, and screen inks, UV-cure chemistry](#): Not formulated with Prop 65 materials.
- [Overprint Varnishes, oxidative chemistry](#): Not formulated with Prop 65 materials.
- [Coatings, aqueous chemistry](#): Not formulated with Prop 65 materials.
- [Coatings, UV-cure chemistry](#): Consult SDS, Section 15.
- [Press chemistry and supplies](#): Consult SDS, Section 15.
- [Ink Jet inks](#): Not formulated with Prop 65 materials.

California Prop 65 does not mandate analytical testing for the presence of listed or other materials.
