## Matrix 4-Color Quickset Series

**Matrix 4-Color Quickset** Process Series was formulated for use on multi-unit high-speed presses and is very compatible with aqueous coatings. **Matrix 4-Color Quickset** inks work well on all coated and enamel stocks.

### Matrix 4-Color Quickset inks have these properties:

- ❖ Quick set speeds and dry times
- ❖ Improved stability
- ❖ Low misting
- ❖ Superior blanket and roller stability

Matrix process inks will stay open in the fountain and can for 1-2 days.

They are totally finishing friendly, but pre-testing is recommended for laser imprinting.

*Gans always recommends pre-testing before submitting a production job to coating, laminating, foil stamping, embossing, laser imprinting, or any other post-printing process.*

<u>Ink Number</u>	<u>Description</u>	<u>Tack</u>
A128590	Matrix 4-Color Quickset Black	14.0
A128591	Matrix 4-Color Quickset Cyan	13.0
A128592 *	Matrix 4-Color Quickset Magenta	12.0
A128593	Matrix 4-Color Quickset Yellow	10.5

\* A128592 magenta is semi-opaque.

All tack readings are @ 1200 RPM, 1 minute 90° Fahrenheit, Thwing Albert 101 Inkometer.
